

## Great Peninsula Conservancy Internship Opportunity

### Volunteer Ambassador

**Purpose:** Being an active participant in our communities is critical to the accomplishment of the conservancy's mission. Having a limited number of staff means that the Conservancy must rely heavily on the support of volunteers to represent the organization at community events.

#### **Responsibilities:**

- Provide a GPC presence at community meetings, acting as eyes and ears
- Give presentations to community groups (slide show with script and training to use them provided)
- Visit with the public and staffing tables/booths at community events (such as Kitsap Fair, Oyster Fest, etc.)
- Attend Chamber of Commerce meetings
- Provide a report to staff as to the results of your meeting or event

**Time Frame:** ASAP

**Length of commitment:** 1 year preferred

**Estimated weekly/total hours:** variable/on-call/as opportunities arise

**Schedule:** varies

**Worksite:** around the region

#### **Qualifications:**

- A passion for land conservation!
- Knowledge of gpc and/or willingness to learn
- Outgoing and friendly personality
- Must provide own transportation

#### **Benefits:**

- Opportunity to share your enthusiasm about land conservation and the Conservancy with others in your community.
- Mileage reimbursement for local travel
- Learn firsthand how a nonprofit land trust operates
- Contributing to the success of the Conservancy conservation work.

**Supervisor:** Director of Development and Outreach
